### A Message from our President

Guten Tag Freunde und Kollegen, (Good day friends and fellow members),

Welcome to February and what could be considered by some one of the bleakest months of the year. First, with only 28 days (most years) it really seems to mess with our sense of scheduling. Second, even though days are getting longer, there is still so much darkness and cold that most of us remain in the midwinter doldrums. We are now very tired of the cold and looking forward to the warmer weather of spring including the new and fresh colors and smells that come along with it. Don't worry, the warm weather will be back before we know it.

If you're looking to change your midwinter routine, please consider coming to the club for a change of pace. Join in one or more of our weekly activities, groups or celebrations. Or just come to the Bauernstube and enjoy a nice evening of social conversation and a beverage of your choice.

Below, please find a few of our upcoming organizational events. The ones highlighted in bold are our more significant organizational events. Please come out and support OUR organization, YOUR club.

Tacos and Karaoke, FNF in the Bauernstube, Friday February 6th

Fasching (German Carnival, a Costume Ball), Saturday February 14th

173rd DSB Stiftungsfest (the DSB's Anniversary Celebration), Saturday March 14th

Founders' Day Frühschoppen (DSB Founders Day Breakfast), Tuesday March 17th

Starkbierfest (Strong Beer Fest), Saturday March 21st

### Genealogy Research Group

Our next meeting will be on Sunday, Feb 15, 2026, at 1:30pm in the VSR. At this meeting, open to everyone, we will begin with a viewing of a short video: "The German Diaspora, Mapped" followed by several club members recalling family accounts of their diaspora experiences.

A diaspora refers to a group of people who live outside their original homeland but maintain cultural, social, or emotional ties to it. Diasporas often form because of migration caused by economic opportunity, war, political change, or religious persecution. The German diaspora developed over several centuries as Germans migrated to regions such as the United States, Eastern Europe, South America, and Russia. These communities often preserved German language, traditions, and customs while also adapting to the cultures of their new countries.

Thank you EVTG members for the wonderful goulash dinner to support the Kanes. It was very well attended. Everyone thoroughly enjoyed the food and music by Ann and Steve.

### Garden Committee

Spring still seems like a long way off, but annuals are on order for the balcony and barrels, seeds have been purchased for the Ladies' flower cutting garden and we are looking into native perennials for our spring plant sale.

The Garden Committee is hosting our UD Master Gardener friends again on Sunday, February 22nd at 2pm in the VSR with a program titled Preparing Your Landscape for Spring. Bring your questions and challenges and let's see if we can brainstorm some tips and solutions.

Look for the start of Weeding Wednesdays as the weather warms and the days lengthen. Until then, the next Garden Committee Organizational Meeting will be on Monday, February 16th at 7:30PM in the Bauernstube.
